

Your Suite of Communication Assets

We provide you with everything you need to build anticipation and motivate your employees to sign up to VP GO Kick Start. Our multi channel suite of communications are designed to reach even the most skeptical of employees, which is why they are simple, fun and to the point.

Enrolment & Engagement Toolkits

Enrolment and engagement toolkits equipped with everything you need to build anticipation, execute a successful launch and drive ongoing engagement throughout VP GO.

Fun Multi Channel Marketing Assets

Posters, email banners, digital displays, GIFs, videos and virtual backgrounds in fun and dynamic designs to cut through the noise of everyday comms.

User Guides

User guides to help you and your members get the most out of VP GO. Providing useful tips on how to onboard, how to sync a device, how to join a team for Destination GO and much more.
